Topic	Minutes
	ACC plans to participate in the American River College CARE Fest event. ACC is interested in having more representation in similar events at other Los Rios Community Colleges, Sacramento State University, and UC Davis to get more participation among the youth.
Community Conversation Discussion	Community Conversations will be held at LGBT Center. The presentations plan to coincide with HIV Awareness Days. Everardo Alvizo will be leading the Community Conversations Sessions.
Public Comment-Non-Agenda Items	A committee member observed that most youth didn't participate in the entire program at the World AIDS Day event at Sacramento State. He stated that it is important for youth living with HIV to be involved in HIV-related causes. Organizations such as the Sacramento Gay Men's Chorus are exploring ways to engage more youth. The discussion highlighted that if information is shared in a way that captures attention, then more youth will be motivated to participate. Additionally, increased advertising could create awareness about community-based organizations that support the HIV Community.
Technical Assistance	For technical questions reach out to Zach Basler.
Adjournment	The meeting adjourned at 4:08p.m.
