## Sacramento TGA Bylaws

### Article I Name of Organization and Area of Service

Section 1.1. Name: The name of this body shall be the HIV Health Services Planning Council (herein after referred to as the Council).

Section 1.2. Area of Service: The transitional grant area (TGA) to be served by the Council will be Sacramento County, El Dorado County, and Placer County (herein after referred to as the TGA). ~~For the purposes of service delivery under State Office of AIDS funding, Yolo County is included.~~

### Article II Authority, Purpose and Duties

Section 2.1. Legal Authority: The Council was created by, and functions pursuant to, the requirements established in the Ryan White Comprehensive AIDS Resources and Emergency Act of 1990 (CARE Act), any amendments to that Act, and policies and procedures set by the United States Department of Health Services (DHS) through the Health Resources Services Administration (HRSA). In accordance with the CARE Act, the Council is appointed by the Sacramento County Board of Supervisors, designated as the Chief Elected Official (CEO) for the TGA. In 1997, a policy change by the State Office of AIDS established the Council as the entity responsible for the State Office of AIDS funds planning and allocation processes for the TGA.

Commented [DC1]: Is the Council the entity responsible or is the Recipient?

Section 2.2. Purpose Mission Statement: The ~~purpose of the~~ Council is dedicated to providing effective and efficient planning for the TGA to promote development of HIV/AIDS health care and support services that meet regional needs. The Council seeks to address these needs in a cost-effective manner in ways that reduce inefficiencies and redundancies. Emphasis is placed on the identification and engagement of the uninsured, underinsured, emerging afflicted population and all disenfranchised groups living with HIV.

We responsibly allocate Ryan White Part A federal funds to eliminate barriers to medical care for people who are living with HIV. This includes funding for medical and supportive services. This is proportionately allocated to Community Based Organizations providing clearly defined services. We focus on meeting the unmet needs of the HIV community in Sacramento, Placer, and El Dorado counties.

Commented [DC2]: New mission statement

Vision: That the work we do allows us to do our part in Ending the HIV Epidemic and most importantly improving the quality of life of every client we serve through promoting justice, inclusion, and equity for all clients.

Section 2.3, Responsible Entities: The process of applying for, receiving, and administering Ryan White Parts ~~A/B~~ funding necessitates a collaborative relationship between three parties: the Sacramento County Board of Supervisors as CEO, the Council, and the Sacramento County Department of Health Services (DHS) as the Recipient, each with complementary duties as described in the remainder of this section.

Formatted: Font: Not Italic

Section 2.4. Duties of Chief Elected Official: The CEO shall:

- a) Receive Ryan White Parts A ~~and State Office of AIDS~~ grant funds awarded to the TGA;
- b) Select the Recipient;
- c) Appoint members to the Council for the TGA; and,
- d) Ensure that all terms and conditions of the Memorandum of Understanding (MOU) between Sacramento County, El Dorado County ~~and~~, Placer County ~~,~~ ~~and Yolo County~~ are adhered to.

Section 2.5, Duties of Council: The duties of the Council shall be to:

- a) Establish priorities for the allocation of Part A ~~and State Office of AIDS~~ funds within the TGA including how best to meet each such priority and any additional factors to be considered in the fund allocation process;
- b) Develop a comprehensive plan for organizing, delivering, evaluating and monitoring HIV related health and support services that seek to be innovative and interactive with existing California State and/or local plans relative to the provision of health services to individuals with HIV;
- c) Assess the efficiency, effectiveness and expediency of the administrative mechanism for allocating funds to areas of greatest need within the TGA;
- d) Participate in the development of the Statewide coordinated statement of need; and,
- e) Establish methods for engaging with the community to determine and prioritize needed support and care.

Commented [GM(3)]: The Office of AIDS determines their priorities and lets us know what we are able to use the funding for. The Council has nothing to do with State Office of AIDS decisions.

Section 2.6, Duties of the Recipient: The Recipient shall:

- ~~a)~~ Develop and maintain contractual agreements with Sacramento, El Dorado, and Placer Counties and the State Office of AIDS specific to the distribution of Ryan White Part A ~~and State Office of AIDS funds;~~ funds.
- ~~a)~~
- b) Write and assemble the Ryan White Part A ~~and State Office of AIDS~~ applications;
- c) Select contractors and set contract award levels based on an established process in accordance with priorities set by the Council and under the terms of the MOU. The contractor award process shall include an appeals procedure;

Commented [GM(4)]: Yolo Counties is not mentioned in these by-laws as a county and I am not sure that the State Office of AIDS funds should continue to be mentioned in the Part A Planning council by-laws.

- d) Disseminate notice of contract awards inclusive of the appeals procedure;
- e) Develop and execute contracts in a manner consistent with Part A requirements for rapid allocation of funds;
- f) File reports required by HRSA ~~and the State Office of AIDS~~;
- g) Develop and implement a fund reallocation process under parameters set forth by the Council to insure the rapid and appropriate redistribution of any funds for which the established anticipated rates of service expenditures are greater or less than projected at the time of original funding; and,
- h) Monitor and assess the quality, effectiveness and economy of the services supported with Part A ~~and State Office of AIDS grant~~ funds.

Organization and Appointment

**No:** GOV 01

**Date Approved:** 12/98

**Date Revised:** 06/08/23

**Date Reviewed:** 06/28/23

**BACKGROUND**

Committees carry out the majority of Council activity. The authority to establish a committee is stipulated in Article V Committee Structure Section 5.1 of the Bylaws. The effectiveness of a committee is dependent on diverse membership and a well-articulated work plan. The operational structure of committee work is determined by group process and the specific charge of the committee. In this manner, committees remain dynamic and able to address a variety of tasks necessary for the success of the Council.

**POLICY**

Council membership will establish a structure of committees necessary to accomplish ongoing business and planning activities. There shall be at minimum an Executive and Governance Committee. The Executive Committee shall have decision-making authority in those business matters necessary for the uninterrupted operation of the Council and within the parameters established by Council general membership.

**COMMITTEE TYPES**

The Council may use three types of committees as defined below;
