What is the Sacramento HIV Health Services Planning Council?

The Sacramento HIV Health Services Planning Council is a group of volunteers who work to improve the quality of the lives of people living with HIV/AIDS in the Sacramento Transitional Grant Area (TGA) which includes Sacramento, Placer and El Dorado Counties. The Planning Council sets priorities, plans services and allocates federal funding to HIV/AIDS service categories. The Planning Council makes recommendations on allocating millions of dollars for services for people living with HIV/AIDS in the Sacramento TGA.

Ryan White Services and Funding

The Sacramento TGA's HIV Health Services Planning Council's Priorities and Allocations Committee (PAC) establishes funding priorities and allocations for Ryan White funding. The Committee is comprised of people living with HIV and representatives of various community based organizations. PAC is tasked with creating funding recommendations for Grant Applications, annual funding allocations, and annual reallocation of funds. The Committee will meet next on September 9, 2019, to discuss reallocation of funding.

PAC is seeking people living with HIV/AIDS to assist in this process. The Committee meets on the second Monday of each month (unless otherwise notified) from 10:00 a.m. to 12:00 p.m. at the Sacramento County Health Center, 4600 Broadway (corner of Stockton and Broadway), Conference Room 2020, Sacramento, CA 95820.

Ryan White Funded Service Concerns?

Are you a person living with HIV who has concerns about services funded by the Ryan White Care and Treatment program? If so, consider joining the Sacramento TGA's HIV Health Services Planning Council's Affected Consumers Committee (ACC).

The mission of the Committee is to recruit, involve, and empower people living with and those affected by HIV/AIDS in the strategic planning and advocacy of HIV/AIDS care and services.
